COFFEE CREEK
EST. 1998
WATERSHED PRESERVE

OUR MISSION

The mission of the Coffee Creek Watershed Conservancy is to identify, maintain, and enhance the remnant biodiversity of the Coffee Creek Watershed Preserve corridor, while providing educational and recreational experiences for all.

Welcome signage made possible through a grant from Indiana Dunes Tourism.

Map design by Miracletwentyone.org.

The new Fountain in Phillips Pond has been made possible through a generous donation by Lakeside Wealth Management.
